

Dear Friend,

We are excited to announce our annual auction, **Wish Upon a Star**, will be held on **Saturday, April 21, 2012** at St. John's Preschool. St. John's Preschool is a part of St. John's Episcopal Church and welcomes children of all faith backgrounds. St. John's Preschool is a developmental preschool, dedicated to providing children with a solid foundation during the critical years of early learning. We take pride in our community atmosphere where we feel we nurture the whole family, parents, siblings, as well as the student.

St. John's Preschool was established in 1974 and has been in operation ever since in downtown Kirkland. Throughout the years the school has grown to reflect the growth and changes of the Kirkland area and currently serves over 200 families.

We invite you to partner with St. John's Preschool by making a donation to our upcoming annual auction. The auction features products, gift certificates and services provided by businesses, staff, families, and the children themselves. This year's attendance is expected to exceed over 300 families. Auction proceeds are used for enrichment programs and to provide scholarships for students who qualify for financial assistance.

As a 501(C) (3) non-profit corporation, donations to the Preschool are considered tax-deductible. We appreciate your business support and have found that your kind donation to our auction can be a beneficial and effective form of advertisement for your business.

Thank you for your consideration. Your donation will have a lasting impact.

Sincerely,

St. John's Preschool Parent
